

To make fundraising easier, COPY & PASTE this and send it to all your family & friends!

=====

Dear Family & Friends,

I am a Grade _____ student from **St. Anthony of Padua School**. I invite you to support our Annual Walkathon Fundraiser this year, which will take place on **May 10th, 2024**.

Our school has a long tradition of providing high-quality Catholic education to students from all walks of life. However, if we wish to continue providing the best possible learning environment, our educational resources and facilities need some major upgrades.

We urgently need your help to :

1. fill our library with beautiful books for our **Classical Education** curriculum
2. contribute to our Capital Campaign for a **Parish Centre School Addition** which includes a much needed school gymnasium / multi-purpose room and upgraded classrooms
3. replace our school's aging furnace and install additional shelving to classrooms

Donate online by visiting: <https://stanthonyvan.com/walkathon>.

Please include my name: _____, Grade _____ and your contact information along with the online pledge. Tax receipts will be issued for donations of **\$25 or more**. Your support for me will help me and my class be eligible for a top fundraiser prize.

Thank you very much for your generosity!
